**Designer**  
Laura Lucas

### The Project

Hallmark Group have worked closely with Laura Lucas to create a fresh new look for their recently renovated Rangiora Office. The Konfurb Fly chairs and barstools were selected to suit each space including fully upholstered Fly chairs on the white 4 point swivel frame. The Konfurb Harmony was used in one of the meeting room spaces to match the table & black detailing in the room.

**Custom Upholstery Featured**  
Augustus Armour & Augustus Aegean
